REMARKS					

☐ 25X1

On 2 April 1952, 7 jet aircraft and 2 biplanes were observed at Brandis airfield which was only lightly guarded. There was no flying except for two jet aircraft which crossed the field at a high altitude. Motor vehicles ☐ entered and left the field.\*

25X1

\* ☐ Comment. Brandis airfield is occupied by a new fighter regiment. ☐ the regiment was equipped with a few MiG-15s prior to 10 March 1952 when, according to another report, 18 crates, probably with new MiG-15s, arrived at the field. ☐. It is believed that the regiment is now equipped with about 20 MiG-15s. Most of the planes were probably parked in the hangars on the day of observation.
